

## Clara E. Stockwell

November 22, 1921 - December 28, 2019

Clara Stockwell, 98 years old, passed away peacefully on December 28 at Central Washington Hospital in Wenatchee. She was born on November 22, 1921 in Crescent Bar, WA, to Clarence and Madge Weasea. She lived there until she married the love of her life, Vernon Stockwell, in 1939.

After living in LaGrande OR, and Seattle, they returned to the greater Wenatchee area where they purchased their first orchard and raised their family of four children. They enjoyed a life of orcharding in Central Washington for many years.

Clara loved flowers, nature, birds and wildlife. She often had a fresh bouquet of flowers in her home. She loved to go on hikes, picnics, and drives throughout the valley. She enjoyed going to the orchards with her husband, and often helped out where needed. During their later years, Clara and Vernon spent winters in Hawaii where they enjoyed beachcombing and time with friends. She was a loving wife, mother and grandmother.

Most of all she loved God, and the Gospel, which her family first heard in the early 1930's. She made her choice to serve God in her early teenage years. During their married years, Clara and Vernon always counted it a privilege to have their ministers stay in their home.

Clara was preceded in death by her beloved husband, Vernon, of nearly 58 years, and two daughters, Sheri Bingham and Sondra Oneal.

She also was preceded in death by a granddaughter, Tara Ohme, and a great grandson, Shawn Graybeal as well as two brothers and a sister.

Surviving Clara are her children, Doug Stockwell and Barbara(Travis) Burney, 12 grandchildren, 25 Great grandchildren and one great great grandchild and her sister Beverly Clark.

“ I will really miss my sister. She was 20 years older than me and she always called me Baby Sister.  
I really got to know her in the past 20 years when I was going to Maui every year to spend time with her. She always loved going for long rides. I'm sure there's not a road on Maui that we didn't travel whether it was a highway or a narrow winding dirt trail that they called a road! We shared many family memories and learned a lot from each other since we were a generation apart.  
Rest In Peace, Beautiful Sister.
