“ Jim Conner was my loving father in law, I am the wife of his son Dennis Conner who sadly passed away before his father. His family meant the world to him and he enjoyed spending time with All of them. Jim was a patriot, in the truest meaning of the word. A man who loved his country and fought for it in WWII . Jim continued his support of All the Veterans. Jim also fought for his health. He exercised regularly on his 8 pieces of exercise equipment nightly. He told me " you have to fight for your health " and he did living to 98 years and 8 months. Heartfelt condolences to his large extended family. Jim will be surely missed...

“ Rest In Peace, reunited once more with your dear wife Agnes, loving son Dennis, and family members who have left us. At 98 you lived active life, dedicated to you country and the community. I have admired your vitality and abilities to maintain your busy lifestyle. Also the volunteer work, along with prioritizing family events. You are loved and will be missed!

“ Uncle Jim was a forward thinking person at almost all times. He would often speak hope and a future into folks who had the privilege to be in his presence.

His life was quite involved in a variety of things.

Now he is in His heavenly Father's joy filled happenings. He is with parents, siblings, dear Aunt Agnus and Dennis as well as many, many more.
