“ My dear Aunt Maggie, my favorite Aunt. I love you and will miss just knowing you are there, but on the other hand I have a strong faith and know that altho we are sad here there has been a great reunion in heaven. I hope the fishing is good in heaven and there better be a lot of room on the dock because I am pretty sure the group is large. Love you Aunt Maggie and I will never forget the summers I spent at your house and all the fun and laughs, fishing and swimming and sneaking into a baseball game with PeeWee and Max. You have always been my role model you and my dad. You will always be in my most fond memories and in my heart.

“ my family and I will miss you so very much. I will always remember my summer vacations staying at your house, our camp outs at Cottonwood and our fishing trips. Wenatchee was like my second home and my Mom and you were quite a pair, crazy as ever. My thoughts and prayers are with the family. Please stay in touch. Niece
