“ I always knew her as Aunt Emogene. I did not get to spend as much time with her as I would have liked but loved her very much. I loved the times we did get to spend together and listen to the stories she told about growing up in Missouri. Love you Auntie.

“ Grandma was the best! She would always be there to listen even if she didn't always agree with the things you were talking about. When we would visit she always made a point to hug and kiss you. I miss those. We love you, Grandma!
