“ Mike and I were on many projects together over the years. He was my friend and one of the most personable people I know. He and my mother-in-law met in a line at Fred Meyer and by happen stance discovered that I was a mutual acquaintance. They ended up talking for 45 minutes. That is a typical people interaction with Mike. I love that guy and will miss working with him very much. Rest In Peace brother.

“ I and Mike's dad spent many years coaching boys baseball together even before our own sons were old enough to play. Mike was the type of kid you could tell to run into a wall and his question would be how hard?!?!? Mike and my son Ron Schott were on the WSU football ticket application form when they were five or six years old! Coach Larry Schreck sent us a copy of the picture as soon as it was published and we still have copies of the picture today

“ Ashley, our thoughts and prayers are with you and your family. You don't know us but we knew Mike before he was born. Teresa and I were pregnant at the same time trying to keep cool at the Little League Park while our husbands coached teams. Then when Mike and Ron were 2 they started being batboys. Mike's dad and I coached T-ball and from there on it was Dave and Dave coaching the boys together. Lots of Abby's pizza and out of town tournaments. Will miss that smile and those dimples. Sorry to say we didn't see much of Mike even though we live in the same place. We all get busy with life and now is when we realize we should have been closer. God bless you all.
