“ *I remember as a young child always being very excited to visit Auntie Alma's house. She always welcomed us with a warm and loving smile, she hugged and kissed us, fed us, taught us numerous arts and crafts, and let us run wild and free in her back yard. I think she truly had a gift with children because she always made my brother, sister and I feel so loved. Auntie Alma will forever live on in our fond memories of childhood, family gatherings, and loving one another.*

“ Auntie Alma always made us feel welcome. Adults, kids, dogs, whatever, we were greeted with a smile, well fed, and made to feel as if we were at home. She was always the adult in the room, calm and confident, nothing was going to come her way that she could not handle. We will miss you and try our best remember all of the thing that you taught us about life, family and integrity. MAQ

*Aunt Alma was the best backstop Mom ever. Growing up, when we were in her house, she entertained us, fed us, cleaned us up after running through the orchard, kept our confidences, and gave us good advice, just as she did with her own children. She loved us. And we loved her. She was family and that bond, though now distant, will never break. God rest her well.*

*Alma came in to my life when I moved to Wenatchee and joined St. James Episcopal church. She was a loyal guild member where she offered her many talents. I gave her rides often and loved hearing about her past careers and experiences and her family. God bless her and her family.*
