“ I often find myself thinking about you Missing you everyday, Carnal. I miss chopping it up with you (how you would be hopping almost like youre jumping of excitement tellin me something as simple like how your days been always, so much energy. Always looking for a adventure, we didnt care good or bad we knew we find a way to have fun we ran the streets, took care of each other. Back when things were different. We had loyalty we had love and respect for each other. Carnalismo! .You will always be in my heart no matter where i be i'll be wishing on a Star to follow where you are Rest in Paradise
