“ Andy, I just spoke with your mom today and was saddened to hear about you passing. I just want to say that I know that you must be singing and dancing with my Darrel. Both of you are finally at peace and no longer have to suffer. Andy you were a true blessing in my life and I am grateful. The biggest memory I have is the day Darrel gave you the huge Scooby Doo balloons in Harborview Hospital. You were a real trooper and I admired you. We did have some pretty good chats while I was there. Hopefully you have met up with Darrel and you two are having a good laugh. Rest young man til we see you again. My thoughts and prayers are with your family. With lots of love

“ We are so blest to have known you and your family. What a great friend you were to James when he was younger and at your mom's house all the time. You would always be there when James and Dustin wanted to hang out together. You had the kindest soul and so much to offer all who met you. We miss all of you guys. Our prayers and thoughts are truly with all of you. Love, in His precious name, Ken, Susie, Kari and James Weaver.
