“ It is with great sadness that we learned of Ann's death. I was a high school classmate of Ann, graduating from Escanaba High School in 1957. It was a pleasure knowing Ann back then and also, thought the years after college, marriage, etc.
Her friendship and loyalty will be greatly missed by all who knew her....

“ I'm a voice from long ago, so I did not have an opportunity to know Ann's family. Ann and I were in Escanaba High School together and in the class of 1957. She was one of those in a close circle of classmates who were very active together during our three years at EHS, and I thought the world of her -- she was so kind, full of energy, fun to be with, had a wonderful sense of humor, and was a very good friend. I visited her home in Escanaba, which was 5 minutes from mine, quite often. I had such a nice conversation with her at our 55th class reunion in 2012, and I was looking forward to visiting with her again at our 60th. I'm very saddened by her leaving us so soon.

“ Joe, Jane, and Julie, we are in Yuma for the winter or I would have been there to give you a hug. Ann was an absolutely wonderful person and although we didn't share much time with each other as we should have, I always felt warm friendship with her. My fondest memory of her was on the day that Joe, Julene and Jon's Dad, died. She had started a complete turkey dinner for us before church, not knowing that we lost Joe that morning. She arrived with turkey, mashed potatoes, and qt jar of gravy and was the most welcomed sight, as we had arrangements to make with Loren Jones that day. She even stopped by to take Julene to a cider press that day. Her life was a example we should all follow. She will be missed, but she has her halo in Heaven and can proudly wear it. You all are in our thoughts and prayers. Hang on to your memories and each other. Much love from the Peterson, George and Miriam
