“ We have so many wonderful memories of Annie that it's hard to know where to start. It seems like I have known Annie most of my life. She worked at People's Department Store with my Mom, Bee Freese, and we considered her part of our family. She was a delightful lady, with a fun personality and a beautiful smile and laugh. We watched her kids grow up and had many fun times with them. I will forever keep her in my heart and loved her dearly.
