“ *My sincere condolences to the family. When Aunt Ann and Uncle Don moved to Auburn,IL it was a great blessing to me. I had never met them until then. I was a young mother and Aunt Ann would always give me sound advice. She would call me when the weather was bad and have me come into the house where it was safer. I would usually spend the night. These were the times that. Got to really know Aunt Ann. When Uncle Don passed, I didn't understand how much she could have needed me to be there to spend time with her.... Until I lost my own husband . She was a great help then too. She always made sure to tell me that she loved me and that she was always here if I needed her. I'm going to miss her... A bunch. Prayers for all that knew and loved her. Debbie Gerdanc*
