

Anne MacDougall

September 22, 1936 - September 17, 2011

Anne MacDougall of Wenatchee, WA, passed away on Saturday, 9-17-2011. She has joined her parents and a whole herd of animals in heaven. She was an early education teacher that has been blessed with many successful students in their later years. She has positively touched so many people in her life.

She is survived by her loving husband , Alfred L. Gordon, 1 sister, Ann (Brian) Scott, Rancho Palos Verdi, CA, and six children: 5 Scottish terriers, Barney, Muffin, Duncan, Skeyler, Gracie, and her Amazon parrot, Shawna.

“Don’t think of her as gone away
her journey’s just begun
life holds so many facets
this earth is only one.

Just think of her as resting
from the sorrows and the tears
in a place of warmth and comfort
where there are no days and years.

Think how she must be wishing
that we could know today

how nothing but our sadness can
really pass away.

And think of her as living in the
hearts of those she touched
for nothing loved is ever lost
and she was loved so much.”

E. Brenneman

“ I remember Anne well. She gave my son the best start in 1st grade at Washington Ele. with her humor, warmth, flexibility and acceptance of each child as an individual. Each of Ann's students looked forward to her treat of taking them to dinner. Anne didn't just teach students, she truly loved and cared for them. Thirty years later when I saw Anne, she still remembered me and my son. I will always treasure my fond memories of Anne...her legacy lives on in her students and their families.

“ Anne was my second grade teacher and a huge influence in my life. We stayed friends through the years. I loved her laughter, Her simple approach to life. She was so full of love to share with her students and friends. She was fascinating to talk to and visit with as a child and as an adult! Ms MacDougall...I am a better woman because I knew you! God Bless Al and your babies. You are going to be missed.

“ I first met Anne at summer dances at Lake Chelan. Later our daughter Kristen had her as a teacher and she took the class to her parents home at Lake Chelan. We also have the common affiliation as graduates of the University of Washington.

“ As I sit here and examine my own life, I can say with certainty that Anne had a dramatic impact in it. As teacher, as a friend, she was truly one-of-a-kind. To say that she was generous is an understatement and I feel blessed to have shared so many fond memories with her and Al. So here's to those moments which I'll never forget, mahalo.

“ Anne was a wonderful teacher to our son and he always made a point every morning to stop and give her a hug. She was always excited to hear of whatever recent trip or event you had participated. She loved living vicariously through your life. She loved her animals like children and took good care of Al. May peace be with you all. Love Joe and Kathy Herron
