“ Our thoughts and prayers are with Ardell's family now that he has taken his first steps on the other side of life. We have fond memories watching him drive his scooter around the complex rocking out to his oldies playing on the radio. He was always there with a kind word, a loving smile and a wave. He made the days brighter for many people around here and even though we only knew him for a short 2 years. He made an impact that we will never forget nor would we ever want to. Such a dear friend in our time of need and just the sweetest man. Then honor of calling him "Friend" instead of just neighbor is truly one of the greatest gifts life has given us. Blessed be dear friend, love and light!
