“ There were several important 'Moms' of my classmates as I was growing up. Since I spent a lot of time with JoEllen, I got to know Arlene better than most of the mothers. The two of us probably gave her a lot of gray hairs and lost sleep during our sleepovers. I was always so impressed that she was one of the few career women I knew. She'd go off to work all day and still come home and take care of the household. She was always interested in what we were up to, had a fun laugh and loved the family dog Skippy. After I moved away from Waterville I lost track of Arlene and JoEllen. I was thrilled recently to reconnect with JoEllen on Facebook. She had posted a photo of Arlene and she still looked exactly as I remembered her. I'm glad she had a long life and got to enjoy grand kids and great grandkids. She will be missed.
