“ I wish to send my love and heartfelt condolences to Kaye. May God bless and lift you up during this time of sorrow, dear lady.

I will never forget probably the most lost and terrifying time of my life, suddenly faced with insurmountable responsibility for which I was ill-prepared. Two incredible people, Arlou and Kaye, came alongside and gave me support, knowledge, wisdom and confidence to step and face the challenges before me. They gave me what I needed to succeed. I will never be able to repay the gifts they gave freely or even to express how much they still mean to me.

So many wonderful memories. I will try to call in the near future.

“ Kaye, please accept my condolences. Aunt Arlou was an amazing woman. A renaissance woman. I find it hard to believe she didn't outlive us all. Thank you so much Arlou and Kaye for your kindness and support for my mother during some truly difficult times. You probably did not realize what a tremendous help you were to her. Thank you for your heart for animals and for letting me have my sweet white kitty Cinders. She was such a love and comfort to me! God bless you Arlou and God bless you Kaye!

*Best regards,

“ Sending my love and heartfelt condolences to Kaye for your loss. May God bless you and lift you up in this time of sorrow.

I will never forget when I was so lost, so frightened and so overwhelmed, suddenly realizing I was alone and facing such heavy responsibilities for which I was not prepared. Arlou and Kaye gave such generous support, gave me the courage and confidence to conquer that which seemed insurmountable. I can never thank either of you enough.

So many wonderful memories, I will attempt to call soon.

“ I remember how much I admired my aunt Lou...painter, car mechanic,veteran she best exemplifies those individuals who read about something..then can do it..She wired her first house at 17 years of age..her Dad had been killed working on the Grand Coulee Dam..and no one to finish wiring their house...so Arlou grabbed a book read about how to wire a house..and simply did it...i will miss just how different she was from her sister, my mom...May you rest in peace aunt Lou...until we meet once more..your loving nephew, Shannon Burns

“ So sad to hear of Aunt Lou's passing. Have fond memories of Grandma Pinky's birthday at the Edmonds Park. Loved the ceramic turtles that she made.
