“ *Arnold will be missed by many. The first time I met him you could tell he was proud of his family and I was happy to listen to all the stories he loved to share. He could tell these stories in a way you felt like you knew everyone. Our prayers with all the family. Lela and Arnold*

“ *Love you, Arnie. What a terrific family you and Irene raised and what a lovely, meaningful life you had. I'll miss our 'discussions' !*
