

## Austin Reed Davis

January 17, 1983 - January 1, 2024

Austin Reed Davis passed away unexpectedly on January 1, 2024. Austin was born on January 17, 1983 to Danny and Tammi Davis. He grew up in Chelan with his sister, Kendal. Austin met his love, Shae Rinke, in 2005, when she was 20 years old. He and Shae had 18 years together and had their beautiful boys, Carter and Dalton. To Shae, Austin was her Love Shicken and always will be. Austin was the most loving, hardworking father and husband. He was funny, adventurous, and very giving. He went above and beyond to help others, and if you were lucky enough to be his friend, he was the truest friend you could ask for. If you were sad, he would do anything to make you laugh and smile. Austin and Shae are animal lovers and treat them like their babies. He loved his pups, Socks and Boots, and all six of their cats, Oden, Marsh, Cub, Bear, Patches, and Lilo Girl very much. He loved the outdoors, whether he was out boating, snowmobiling, riding dirt bikes, or just taking his boys out to shoot their BB guns. As a family, they spend lots of time with Shae's Aunt Denette, whom Austin was extremely close with. He lived for Shae and their boys. They were his heart and he was theirs. Austin meant the world to his family, he completed them and we will all be forever broken. Austin is survived by his love of 18 years, Shae; their sons, Carter and Dalton; and his fur babies, of Waterville; his mom, Tammi Davis of Chelan; his sister, Kendal McAlvey of Chelan; his uncle, Tim (Donna) Davis of Kansas; his in-laws; numerous aunts, uncles, nieces, nephews, cousins and many, many friends from all over.

A private family graveside service is planned.

“ We were so glad to have been able to meet Austin, Shae and the boys in October last year. Their family was unable to stay at their reserved condo on Maui due to the fires and ended up at the same resort as us at the same time. It was fun to watch their family in the pool and on the beach as well as on the plane trip over as the boys had never flown before. Our hearts go out to this beautiful family.

“ I am so glad that I was able to call Austin my cousin. He had the best sense of humor. If you were lucky enough to be part of his tribe, he would move mountains for you if he needed him. I am gonna miss him dirty jokes and his laugh. He will ALWAYS be remembered and his love will never be forgotten. Love you for always.
