“ Some of my favorite memories of Barbara are the giant heart shaped brownies she baked on Valentines Day, the corned-beef and cabbage on St. Patrick's Day and the giant chocolate chip cookies she baked for my son because he liked them like that. Plus all the hours she spent babysitting my son on just a moments notice. She had a big heart full of love and kindness. Thank you Barbara for letting me be a part of your life.

“ Barb was one of my best friends. We had coffee almost every week during our Camp Fire Girls days. Even though our girls grew up and we grew apart we always kept in touch at Christmas with a note sending our Love. Jack, Kathy, Susie, and Denny our thoughts and prayers are with you.

“ *So many of my childhood memories include Barbara, and the whole family. She had the most infectious laugh I've ever heard, and she was one of the most loving and giving people I know. I'll never forget how much fun she brought to our Camp Fire Girls group as our leader. And when I got sick at camp, with a dangerously high fever, Barbara came to pick me up at Camp Zanika Lache and drove me home to Colville the next day. Rest In Peace, Barbara!!!*
