“ Hi Barb, I'm just sitting here enjoying our favorite latte, English Toffee and white chocolate (extra toffee and whipped cream) and thinking about our monthly talks. I miss you so much. We'd talk about our family and our favorite animals...Sadie still goes to her kennel when I make lattes. She gets so excited to see you and of course, your bag of goodies!! We gave a donation to the Humane Society in your name...I know you'd appreciate that.

I know we'll see each other again so we can "catch up" then but until ... RIP my dear friend. Love you, Barb Manson
