

Barbara Ann Gundersen

May 31, 1947 - September 19, 2023

September 19, 2023, Barbara Ann Burton Gundersen, wife, mother, grandmother, sister and friend, moved on to her next adventure during her favorite time of the day, the early morning.

Barb came into this world on May 31, 1947 in Salt Lake City Utah. She met her eternal companion at Olympus Highschool whom she would eventually marry on July 8, 1971, but not before she attended University of Utah, lived in Hawaii, became a flight attendant, and lived in New York and Denver Colorado.

She and Brian started their family in Provo Utah and grew their family to include seven kids and thirty grandchildren as they moved from Provo Utah to Torrence California to Anaheim California and finally ending up in Wenatchee Washington. She considered her family to be her greatest accomplishment.

Barbara was a woman of service and travel. She and her husband traveled to every continent of the world, and she participated in humanitarian trips that included India, Samoa, and Kenya. She was also very active in her faith and served in the Church in many capacities throughout her life including a Church mission to Novosibirsk Russia. She touched countless lives through her ministry and was very active in the community by helping to organize days for Girls, serving with Habitat for Humanity and volunteering in the hospital for 10

years.

Her services will be held at the Church of Jesus Christ of Latter-day Saints located at 1621 Maiden Ln on Monday September 25th. The viewing will be at 10 am with the Funeral Service commencing at 11 am.

Barbara has asked that instead of flowers or other gifts to please donate to her favorite charity Feeding Hope and Hunger. Find out more at FeedingHopeandHunger.org

“ Brian:

Very sorry to learn of Barb's passing. We have enjoyed memories from long ago that are still the highlights of my life. What great times we enjoyed.

Having gone through a similar experience, I offer my heartfelt condolence. And know that there will be brighter days ahead for you than the loss you feel at this time. Cherish those good memories.

My best to you and your family.

“ *I also met Barb playing tennis at the WRAC. She was always so upbeat and kind and happy to be on the court. She was a wonderful person and I miss her every time I play. Thank you, Barb, for making our world a better place.*

“ *The Gundersen's played a big part in my life and always welcomed me into their family. Barbara was the gatekeeper and I will forever be in her debt that she let me into the family. She included me in family trips, family home evenings, and backyard parties. She encouraged me to do good and to follow Christ through her kindness and example. It gives me great comfort to know she is now free of pain and enveloped in the arms and love of the Savior she knew. Welcome home Barbara and thanks for always encouraging me with your love.*
