“ *Bea had a special place in my heart and life. We first met at Juneau convention many years ago...then..I had the privilege to rent a room from her in Seattle..and our friendship grew...she was a true sister in Christ. Always cheerful. She was a hard working woman, but serving the Lord always came first in her life. We shared many wonderful times. She and Lil later visited me in Spokane, at a low time when I had Mono and very weak..they encouraged me to go walking in the Mall with them and regain my strength...I can't tell you how much she helped me through the years...but now I am happy that she has reached the end of her journey here on earth...and what she has lived for, to be safe in His arms forever...thinking of all the family, her siblings, and her son and daughter...Diane, I will keep in touch with you...and you will all be in my heart on Friday. Wish I could be there with you...thank you for sharing her with me!! Lil, also meant so much to me in Fairbanks, and Cheryl...and thinking of you, Myrtle and Joyce, and Gary and Sara..thanks for all your care, Bill and Ethel, for her...good days to you all...your sister in Him, Dee Bramhall*

“ *Auntie Bea was a dear companion to my mom and together they created a home in their later years where many friends gathered. Auntie was a strong and courageous woman who took life's lemons and made lemonade. She will be missed and be in my heart always.*
