“ I'm very saddened to hear of Beryl's passing but I will forever remember the little spitfire!! I worked at Fieldstone with her and she quickly became a favorite of mine. She definitely made a lasting impression and I will forever remember her beautiful soul. If there is a funeral I would very much love to attend. -Theanne A.

“ Dear Bland Family, Beryl and Deryl were a great team and were outstanding pear growers. You are a great legacy that should be continued for future generations.

I hope that we can take some ashes to Cougar Rock this summer.

Life is good,

Earl
