“ *Betty, the best boss ever. I have taken what you have demonstrated with your life, as a friend and boss, the way you treated people with love and respect, with kindness and generosity, the way you saw good in all people. And have tried to apply it to my life. I will miss you but not for long, I will see you again in our heavenly home. Thank you for living a Christlike live. Love and miss you.*

“ *I wanted to share what a joy it has been to know Betty for 40 years. My daughter Kim went to her home daycare when she was 3 1/2 and then moved with her to St.Paul's and was in the first kindergarten class there at St.Paul's. She loved Miss Betty and Miss Sharon! What was even more special to me was that whenever I would see Betty over the years, even up until about 5 years ago, she would ask me how my Kim was doing! What a precious soul that God shared with us these many years. Many prayers to your family from ours. Carl, Sheryl, Kim & Dale Arends*

“ Our thoughts are with Betty Lynn's family and friends at this difficult time. Sue and I came to know Betty & Jim when we moved to Three Lakes in 2001. Being just a few houses down from "Duck Landing" we came to know Betty & Jim very well. Betty Lynn and Sue became part of a little card playing foursome for a time. We will always remember Betty Lynn as a kind and gracious person and know she is happy to be back with Jim now.

*With sincere sympathy,

“ I had the privilege and joy to work with "Miss Betty" at St. Paul's. What an amazing experience. Working with her and all of the teachers and staff was one of the highlights of my life. Sharing in the joy of those days with them was wonderful. She and the kids taught me the Lord's Prayer when I worked there, and I am reminded often of how special St. Paul's was, and is. Please accept my condolences on her passing, and know that I will remember Betty with great fondness and respect.
