“*Russell, your heart is heavy today as you prepare to say goodbye to Betty. But we know that you have a wealth of fond memories of sweet times, fun times and special times. You also had a very special relationship with each other in the Lord. A special relationship that can only be shared by two who know Jesus. You will see her again Russ. And she will be as beautiful and vibrant as the first time you saw her. And she will remember everything you had together.*

*Bless you my friend,*

*It was a pleasure getting to know Betty in our weekly gatherings.  
Her quiet comments were refreshing and sometimes caught us off
