

Beverly Jean Bryan

April 25, 1937 - February 28, 2017

Beverly Jean (Hansen) Bryan, 79 years old, of Wenatchee, WA, passed away peacefully with her loving children by her side after a long and courageous battle with cancer on February 28, 2017. She was born to Carroll and Viola (Larson) Hansen on April 25, 1937, in Stanley, ND. She grew up in the Stanley community attending school and graduated from Stanley High School in 1955. She attended business school in Minneapolis, MN.

She moved to Wenatchee to be closer to her extended family. She met William Bryan, a soldier in the Air Force, stationed in Moses Lake, WA on a blind date. They were married on December 19, 1958.

They lived in several locations around Washington State. They raised their two children in Cashmere. After thirty-five years in Cashmere and upon retiring from the City of Wenatchee Utility Billing Department, they moved to Wenatchee in 2002.

Bev was active in the Lutheran church over the years and taught Vacation Bible School and Sunday school. She was currently a member of the Assembly of God in Wenatchee.

Bev loved the outdoors, hiking, camping and biking all over Washington, Oregon and Arizona, keeping notes of her favorite places on her maps and collecting rocks as mementos. She especially loved the ocean and Icicle Creek. Many hours were spent with her feet dangling in the water whenever she had the chance. Later in life Bev enjoyed spending time with her grandchildren, she treasured each memory she made with them.

Bev is preceded in death by her parents and her husband of over 50 years William. She is survived by one sister Devonna Schubert, Wenatchee, her children: son Greg Bryan and wife Regina of Cashmere and their children Payton, Cole wife Emily, Mitch and Shay; one daughter Pamela (Bryan) Peer and husband Dean Peer and their children Katie (Kuntz) husband Patrick Kuna and Kyle Kuntz.

“ I was fortunate to meet Bev during the most difficult time of our lives. We met each other over 7 years ago at the Grief Center in Wenatchee after losing our husbands. We shared, stories, laughter, memories and sight seeing since then. I'll always remember her for her smiling and positive self. Bev is one of my most beautiful remembrances. I hope she and Bill are hiking some glorious clouds.

“ We were close all our lives. I was the first to move, married and the army made the choices. Even spent a year in Georgia. You didn't come there, you hadn't met your Georgia boy yet. :-)
then it was a suburb near Seattle, we lived within walking distance. You moved to Cashmere and some years later Don and I wanted a more quiet place so we built a home there again within walking distance. Too soon I moved to Wenatchee. Years later you and Bill came to Wenatchee, so we were within walking distance again. Now you have moved to a better world and I can't walk there. Save me a place at the table please cause I know we will be close again some day.

Your loving sister missing you so much. Devonna (Dee) Schubert

“ I have known " Mrs. Bryan" since 1972. When the Holmer kids met the Bryan kids across the creek.. we created many many memories together...what a beautiful 45 years it's been. Never was there such a rock solid lady... loved her God and family. Stick, it was an honor to get to visit with you two in her final days. And even in her final days Bev was so gracious. What a beautiful spirit she was.

“ I have so many good memories of Bev from when I was growing up and would stay the summers with her and her family to when I was adult and would visit her and Bill out in Plain. I so enjoyed my visits where we would walk and talk, taking in the beauty that surrounded us. We both loved and enjoyed what wonderful and beautiful things nature provides. I like so many others will greatly miss Bev. She was truly one of the most sweetest and dearest persons I have known.

My sympathy and prayers go out to Greg and Pam and the rest of her loving family.
