“ *Bev and I worked together at CWH for 17 years-she was a hoot and always a bright spot. We used to pick up our paychecks in person. I was working and she brought her boys in to pick up her check-they were very young-maybe not school age, Brian and Brad. Brad piped up "Where's the boss". We laughed and Bev said "she's the boss"!. I'm sure he proceeded to question me. I remember we got these uniforms we were so excited about so we could just throw them on & not think about what to wear. I can still see Bev in her gray multi colored vest & slacks & our other fav, the navy blue. She and her co-worker Joyce made a great team in the ER. You have been missed little Bev. Godspeed.*
