“ *Billie & Jerry lived next door to me and my kids when the kids were young and they loved going over to their house to visit. We then caught up with them when they lived on McKittrick and such fun we all had. They were both wonderful friends and I am so sorry to hear of Billie's passing. She was such a treasure and will be sorely missed.*

My Mom moved into assisted living home this June and Billy was the first one to reach out to her and welcome her. They became fast friends as they enjoyed playing dominos together and visiting one another often. She always remembered my name and was so sweet to me and my Mom. She will be missed ❤️
