“ *Rest In Peace dad. I am happy you and mom are together again. I know you have wanted to be with her for quite awhile and now you can rest easy. You are leaving behind a wonderful legacy. It is hard to put into words all that you meant to me. I feel so fortunate that Gary and I were able to see you in February. Love you dad, will miss you dearly.*

“ *Thanks Dad for your strong will for life you bestowed to all four of us kids you showed us to the end and always. The Shelton legacy will go on through your kids, grandkids, and all the current and future great grandkids. I'm glad you and Mom can now take another crusie into the after life. Love you Dad. I will miss you but never forget.*
