Bonnie Bea (Betts) Nelson

July 30, 1951 – May 16, 2014

Bonnie, although born in Leavenworth, spent her childhood and school years in Wenatchee and made many good friends throughout those years. Her parents, Warren and Eleanor Betts, opened the Betts Funeral Home when Bonnie was an infant. The Betts family were well respected members of the Wenatchee community. Bonnie, during school was active in Rainbow Girls and Apple-Ettes Drill Team, serving as Secretary in her senior year.

Bonnie continued her education at University of Puget Sound for one year then transferred to Washington State University earning a Bachelor's Degree in Business.

After college graduation, Bonnie moved to Los Angeles and started working for Southern Pacific, where she later met her husband. They moved to the Washington D.C. area and Bonnie went to work as a legal secretary. She worked in the legal community in San Francisco, Los Angeles, and for 20 years in San Diego. One of Bonnie's greatest joys was being part of a company that was involved in the research of a particular drug that later proved to help fight cancer.

Bonnie was a caregiver for her beloved parents in California until their passing. She returned to Wenatchee in 2007.

Bonnie is survived by many family members, all living in Los Angeles. She left

a legacy of kindness, generosity, and fun, and she will be lovingly remembered by all. We are grateful for every moment we shared and will continue to miss and love her.
