“ I worked with Brett for almost 20 years at Albertsons, he was a quiet listener but funny when the opportunity arose, I didn't realize he had been ill. He was a great guy and so very proud to share his beautiful daughters accomplishments growing up. He will be missed by many. RIP Brett! Go get your wings ! To his family so sorry for your loss.

“ Brett was a wonderful son , husband , friend, and best dad ever. Our hearts are aching for a life taken way to soon by a terrible disease. He will live in our hearts forever.

I was so sorry to hear about Brett's passing. I wish his family much love and well being.

Brett was my first friend when I moved to George. We were able to stay connected when he moved to Wenatchee. However, we weren't able to stay connected after I went away to college. He recently reached out to me through mutual friends and my sister but I never heard back. I am so sorry I missed the chance to reconnect before his passing. - Michael Laney
