“ *Bryan was in our son's class. They played Basketball together. His Mom was so proud of him, as we all were. Bryan was such a joy. That twinkle in his eye and darling smile. We were so sad to hear of his passing. Such a special guy. You will be remembered with fondness Bryan. Don and Cathy Dustin*

“ I played volleyball with Bryan back in the day down at riverfront park. Whether he was my teammate or opponent we always had fun, competitive matches. After not seeing him for many years, my wife and I ran into Bryan at Vision Source late last summer. He was the same friendly, laid back, disarming Bryan I knew from years ago; with the same infectious smile. He sold a pair of Maui Jim's to my wife and, miraculously, found a replacement frame piece for my ten-year-old Maui's. That was the last time I saw Bryan. His passing has impacted me in ways I cannot explain.

*I'll see you in the next life my brother. In this life, I will honor you every time I sport my Maui's.*
