“ Calvin was a wonderful step-father. He was a great role model for my children and my grand children. He will be sorely missed. As a family we were so fortunate to have Cal as a leader in our family. He was a man of many talents. Sidney and Julie Gaertner and family.

“ Cal will be greatly missed by more people then we can imagine. He would help anyone who needed anything. He came to my rescue when my car was overheating on my way to visit them from Seattle. I don't know what I would have done without him. I will always be grateful to him for that and I will never forget it.
