“ My sympathies to you in the loss of your dad. Carl was such a big part of our church family. I remember the many times he was at my home when the men's quartet practiced with my mom, June Pullen. He was always such a gentleman. What a wonderful day it will be when Jesus comes to take us home an we will be reunited with our loved ones!

*With deepest condolences,
Colleen Pullen Shaver*

“ To the family of Carl Campbell, I have known Carl for many years. I worked at Central Washington Bank for many years and got acquainted with him there. He was the most pleasant man to assist whenever he came into the bank. I will always remember that man for his wonderful smile and always stopping to talk to many as he went along his way throughout the day. Last time I saw him he was walking the halls at Colonial Vista getting in his walk and he stopped and talked to me when I was going to PT there. Right before this covid started. He was love and respected by many. May he rest in peace.
