“ Dear Montgomery family,

I have been thinking of the school years that I had with Carl and the times that we went swimming in the Entiat River and the times we spent chasing foul balls at Recreation Park when the old Wenatchee Chiefs were in town. We always remember the good times and the memories never seem to dim.

It was a pleasure knowing you Carl and for that I thank you. So I will say Godspeed on your journey as you fly, fly away.

Sincerely,

Foster Copeland
