“ *My grandma was always such a happy and caring person. She would do anything for anyone and always be there for anyone if they needed something. She is my best friend and my biggest supporter. My life will never be the same without her. I love you so much grandma and I miss you so much. Not a moment goes by I don't think of you or want to give you a call and see how are you. I miss you and love you so much. I'll see you soon grandma. I'll love you forever.*
