“ Bud was a loving person who absolutely enjoyed meeting people, getting to know them and being of help to them whenever possible. We have thanked Bud for his unknown help to our family and again we reminisce in his passing the special time of him blessing us. His axiom for lower grade teachers was to make sure the kids loved school and they will succeed.

“ Wonderful man. Great principal and family man. Such good memories of Washington Elementary and his kind leadership.

“ Mr. Sears was my first principal in Wenatchee at Washington elementary when we moved here in the 5th grade. He was so kind to me, the new kid. I remember once getting sent to his office for talking too much in Mrs. Taylor's class. I was sure to get a hack! He was so fair and kind. I know he lived his life this way and touched many others along the way.

See you on the other side, Mr. Sears!
