“ I will never forget a night at the Chieftain restaurant when Chuck and another customer were telling jokes. It was one of the best nights ever. The two went at it for quite awhile telling jokes. And I won't ever forget the last time I saw him, I was heading back to work and he saw me and flagged me down just to tell me a joke. Chuck you will be missed!  
Thank you for some great memories! Dennis Jackson

“ Charlie and i where good friends all through school in Okanogan. Charlies dad Chas was a good friend of my dad, Clayton White. My best memory is when the four of us went on a fishing/camping trip to Big Beaver lake. It was the best trip ever! I have treasured that trip my whole life! We lost track of one another after graduation.  
Condolances to Charma and the entire family. With love and respect  
Jon White.

“ *Charlie & Charma Slager were my cousins and growing up we stayed at Grandma Kaufman's house. Charlie was the oldest so of course, he was the boss I don't think we really minded as we could always say Charlie said it was ok if we got into trouble. I have a lot of wonderful memories of the three of us together.*
