“Charlotte was my very best friend in Yates Center Kansas. I become acquainted with her when her husband passed away. We become fast friends thereafter and was rarely seen apart until she moved to Washington State.....I am so sadden to hear of her passing.....but know it wont be long until I see her again....I remember taking the above picture of Charlotte one morning at St. Joseph's Catholic Church in Yates Center after we had finished serving mass.....I loved Charlotte and will miss her so much.....”

“Charlotte was a bright light, a warm and kind woman, a creative problem solver, and funny and smart with an unfailing sense of decorum. Her unflappability and consistency made her a welcome addition at the Cashmere Museum. Whether sitting at the front desk every Saturday and Sunday without fail, or helping with our Apple Days events, or simply offering thoughtful advice and guidance, Charlotte was a joy to be around. She will be missed and cherished by all the staff and Board members of the Museum. Thank you, Charlotte, for your smile, dedication, and resolve. You were one of a kind.”
