“ I was out of town and unable to attend Cherie's celebration of life. Just thinking back to the good old days of women's fast pitch softball. Cherie was one of the best pitchers in the league. Made you feel real good if you got a hit off of her.

“ Think of you every day, my friend! Wish I could be there Saturday but my thoughts, prayers and hugs for Joe, Dena and Thomas will be! Fly high, sweetie!

“ I grew up in Beebe orchards and the Bowers were great family friends. Remember playing with Cheri and Tim as kids at the Chelan station. We stayed with Fred and Frankie when my younger sister was born. I am Ruth Fisher. My parents were Vern and Neva Maw. Sorry to hear of Cherie's passing. Comfort to all her family.

“ I was fortunate to have played softball with Cherie who was a fantastic pitcher, hitter and base runner! I have many fond memories of her leading our team Rainier Beer to city championships and state tournaments. May she rest in peace. Fondly, Nancy (Gallaher) Satterberg, West Linn, OR
