“ My deepest sympathy to Don Murison and his family in this time of morning. It seems like just yesterday and we were all back in the old Mansfield school going from class to class. I really feel that was a great time to grow up and Mansfield was a great town to grow up in. Sometimes life seems so short and the time we have here goes by so fast but I guess the good Lord has bigger and better things planned for us. May God be with you and your family in this time of sorrow.
