Christel (Bunny) Ann Morgan, 77, of Twisp, WA passed away peacefully at home early Thursday morning June 15, 2023 after a lengthy and courageous battle with Corticobasal Syndrome, a rare brain disease.

She was born on January 2, 1946, in Salt Lake City, UT to Calvin C. and Christel J. Morgan. Bunny graduated from Jordan H.S. in Sandy, UT and attended college in Utah and Washington.

Her greatest joys included large gardens, endless genres of music, raising her animals with the primary effort going towards her sheep and producing award winning wool, was an avid reader, and an amazing cook where no one ever left hungry. Bunny was a poet, artist, conservationist, and devoted constitutionalist.

Utle, Joshua (Joan) Morgan, brother Paul (Mary) Minardi; and 4 grandchildren, and 1 great grandchild. Along with her extended family and friends. She was preceded in death by her parents, and her brother Mike (Anna) Morgan

“ *Bunny and I met when we were young teenagers and have remained friends ever since. She spent a great deal of time with my family and I have so many fond memories of vacations on the Boulder Mountains and visiting my grandmother in Torrey, she was literally part of our family. For many years we kept in touch with letters and phone calls but when we had access to email our contact was almost daily until she became ill. Danielle has been an angel in continuing to get my messages to her the past few years. She was a remarkable, talented and fiercely independent woman. I count her friendship as one of my treasures in life. I will always miss her but I'm happy that she is at peace now.*

“ *My most wonderful memories of Bunny were her and mom (Anna Minardi) sitting around drinking coffee discussing so many things, mostly scripture, and arguing on second and laughing the next. They were the best of friends*

Mom and Aunt Anna loved each other so very much! I'm sure they are together now doing exactly the same thing that they did before. Thank you for making the long trek to WA! It meant a lot!

I am a cousin to Bunny, Mike, and Paul. My father, Parley, was brother to their mother, Christel. Bunny, Mickey, and I used to play at our Jacobsen grandparents farm in Salt Lake City, Utah in 1950s. We lost touch as we got older and our lives grew away from each other. I hadn't seen Bunny since her oldest daughter was born. I did see Paul occasionally in the 1980s. But, we lost touch when I moved to Colorado. As I am doing genealogy, I am deeply saddened to read of Bunny's passing. So young and obviously so vibrant a participant in her own life and the lives of those she knew and loved. I am sorry to have missed that and sorry she passed so young with so much left to contribute. God bless her and keep her close. My deepest condolences to her loved ones. Karen Ann Jacobsen Wirthlin (first cousin on her maternal family side)
