November 2, 1951 - November 20, 2017

On Monday November 20, 2017 Cindy Conley passed away at the age of 66 due to complications from ongoing Cancer treatment.

Matriarch is the story of Cindy's life. Cindy was a woman that was the head of the family. Cindy also ruled in her long career at Confluence Health. Cindy always offered her friendship and solid advice. She had built lifelong friendship, even if she only met you once; she was remembered for her outgoing personality. Cindy's fun loving spirit was contagious.

Cindy had married her soulmate Scott Conley on 10/31/1999. Their wedding took place at a Halloween party dress in costumes, with all of their friends and family present.

Cindy loved four wheeling in her husband's vintage Bronco, they love to go to Moab Utah. She was quite adventurous. She enjoyed snowmobiling, traveling in the RV, Camping and taking in the scenery on the back of the motorcycle. She did all of these experience with family and friends.

Cindy graduated from nursing school, but her best achievement was the relationships she had created working in Human Resources in Labor Management relations.

Cindy was born in Minnesota and moved to Washington State as a single mom with 3 girls. She had lived in Chelan and Malaga where she met Scott in 1993. They moved to East Wenatchee where Cindy and Scott bought our family home together.

We would like to thank everyone in Cindy's life. We would also like to thank

the ICU, RT, ER, Lab and Radiology Units at Confluence Health for all of the comfort you had shown to Cindy and her family. We had one nurse advocate that had touched all of our hearts.

Cindy is survived by her 3 daughters: Stephanie, Trisha and Mandy. Cindy also has many grandchildren, that she had a special bond with each one of them. Her grandchildren are: Jesse, Shantal, Cody, Jeremiah, Kayla, Hailey, Nathan and Taber. She was also blessed with her first great grandson Kylo. Cindy was loved from head to toe. She is leaving a piece of her in everyone. Cindy will be truly missed. Cindy wants her life to be remembered as a celebration.

I met Cindy, back, in I believe 1971, when I met her Brother Craig, And got Married in 1975. She was a great sister in law, terrific mom , and I am sad to see her go! There is no more pain, for this I am glad. RIP Cindy. 😞

“ I don't have a single story that would capture the person my grandmother was. She was strong and she did what she had to do for the good of her entire family. I have never looked up to someone like I do my grandparents. Both her and my grandpa have been role models in my life and always will be. I'm so glad my son got a chance to meet his great grandmother, she was the first person I brought Kylo home to see. I will forever miss her much needed presence in my life
