“Cindy has been an inspirational mentor to me this past year in our local Wenatchee "Tops" chapter. After I joined in February, 2024, she met her goal that year and had an amazing graduation ceremony. She was a past leader, the current "new member" contact guide, and led us in a song to start each meeting. Her calm presence and wisdom will be missed in our group. She was at our March 27th meeting and I will never forget the kind favor she did for me the last time I talked to her. We love you Cindy!
