“ *My friend Cody. Well you hit every newspaper in Washington Bro. You were a legit, straightforward , stand up guy. Somewhere in our short friendship you taught me some valuable life lessons and I hope I did the same for you. You were tough and stern on the outside but decent, honest and had a good grip on what was valuable to you in this life on the inside. You laughed at the lecture I gave you on Karma. Made fun jokingly about my Hippie natured ways of doing things. However I do know deep inside you really admired me for doing things my own way as you did. I believe you are driving in that big cadillac in the sky cruising down heavens main street to rest in peace. Good bye buddy til I am sure we cross paths again. May god wipe away those sins and may you always rest in peace bro. You will be definately missed by many. Cody has left the building.*
