“ Our family thoughts are with Patty and family. Connie and Patty were neighbors of our family in Sunnyslope, and they were so kind to my Mother (Bea Rogers) after the passing of our father (Art). My siblings and I have you in our prayers.

“ On behalf of our family I would like to express our deep heartfelt sympathy to Patty and the entire family at the passing of Connie. He was a dear, dear cousin and we'll all miss him so much. We would also like to send our heartfelt thanks to he and Patty for what they did for our parents in their time of need, especially when dad had his heart attack and stroke. Our parents considered Connie like a son. We'll always fondly remember he and Patty at our many family gatherings including pit breakfasts at Lake Chelan. I'll remember his huge deep laugh, heart warming smile and family and PUD stories which often brought out that big laugh. Connie was indeed one of a kind. We are very blessed to have had him in our lives. Rest in Peace Dear Cousin. With Love, Gordy Parkhill
