Constance "Connie" Marie Milne

On December 19, 2016, Constance "Connie" Marie Milne passed away peacefully at Central Washington Hospital. While we will miss her tremendously, we celebrate with her as we know she is finally reunited with her beloved husband, Whitey, and dog, Muff. Connie was a fighter. She had many hard life obstacles to overcome, and she did her very best to love all those around her, in spite of her own adverse life events. She passed away knowing that she was surrounded with the love she had always sought after. Connie was born on October 18, 1930, in Wenatchee, Washington to Leonard Brender and Georgia McCann. She spent her childhood moving between her parents' homes in Queen Anne District, Seattle and Dryden. In 1948, Connie married her long-time love, James Alan "Whitey" Milne. From 1949-1952, Connie and Whitey had two sons, Alan and Gregg, while Whitey attended college at Central Washington University. They then moved to Quincy where they resided for 8 years, and then to Harrington for another 3 years. It was during their time in Harrington that they welcomed another son, Brent. In 1965, Connie and Whitey moved to Cashmere where they resided for more than 50 years. The light of Connie's life was her 3 boys, her beloved husband, her many dogs, and her many grandchildren.

Connie is survived by two sisters, Beverly Smigaj of Moses Lake and Beth Morrow of Glendale, California; two sons, Gregg Milne and wife Claudia of

Cashmere and Brent Milne and wife Dawn of Entiat; 7 grandchildren, Danielle, Allison, Stacy, Chad, Ashley, Adam and Shae; and 10 great-grandchildren; and 2 great-great-grandchildren. She was preceded in death by her husband, Whitey; her son, Alan; both her parents; and her brother, Leonard 'Lenny' Brender.
