“ *Correll was a wonderful person. Misunderstood by some but filled with love and a concern for her friends and family. Correll was not one to hold her thoughts. She would let you know what she thought and sometimes people would take this wrong. That was just Correll. There was much more to her than most ever knew. I will miss our late night talks and our sessions. You know what I mean. You will be in my memories. Much Love. Hi to Dad and all those with you. See you when I get there.* ”

“ *for my Grandma*

*My eyes can no longer see your smile, Yet my heart still feels its warmth. My ears can no longer hear your voice, Yet your words of wisdom are etched into every day. I can no longer hold your hand, Yet it still guides my every step. What we see, hear, touch is only temporary. What we feel and learn and love is eternal...i know you will always be there. I love you grandma correll. Always have and always will.*

“ *My grandma Correll has been the biggest inspiration in my life. She has shown me the way to live life the right way. Shown me guidance and responsibility and the morals of treating people and how to be treated. She is an amazing and beautiful woman inside and out and I'll love her forever and remember everything she has shown me. Grandma brought me in and loved me from day one. Shown me that it is possible to be loved. Grandma has helped me and my daughter to the fullest extent and I feel with her gone she is still doing so. I will never forget her or or words she has shown. I will love her always and forever.I love you grandma and you will always be in my heart forever.*
