“ *Jerry, Tom and now Curtis. The male half of Malaga class of 1959 is getting lonesome.*

Remembering Curtis as the tall, fun, guy in our class. Always surprised that he survived this long after his many other adventures. Our Condolences to Gail, David and Wendy.

“ *Curt always had a hug and a smile. ALWAYS made you feel welcomed and loved. He is a part of my childhood and my family that I consider home. I loved listening to the stories he and Dad would share of growing up. They get a twinkle in their eyes. They way Uncle Riley laughs whenever you start to mention them. It is nice to know they shared such a close bond to one another. Grandma just had a soft spot for him as well. There is comfort in knowing that he was met by quite a few of those he shared that close bond with. He truly was just a pretty good guy. --- Thinking of you all with love*
