“ I remember Cindy from her days as a beautiful platinum-haired cheerleader at our high school in Orlando. But I know there was so much more to her than that. I was able to correspond with her a little by e-mail over the past few years. I was so impressed by her kindness and concern for others. She was a light to the world -- we will all miss her. I hope you will let us know if there is a particular charity to which you would like donations in Cindy's memory. Craig Oren
