“ Dana, what a swell guy you were. Although we only saw each other a couple of times a year it was always exciting to hear what your next adventure was and I always felt we had great communication about where we were in this wonderful world of life. I clearly remember when you told me about your love of skydiving....I wish I had what it takes to try those things.

You've left me with remarkable fun memories, some that I remember now and some that I'm sure to recall as the days goes by. I'm sorry I didn't get to see you or spend anytime with you after your incident. Know that every time I visit Wenatchee now I think of you. It was great knowing you dear friend.

“ Dana was my brother-in-law and was the Best Man at mine and Robert Scanlan's wedding in 1982. I will always remember him for the cheerful, caring man that he was. He had an infectious smile and wonderful sense of humor. Although we did not get together very often, I always enjoyed his presence at family gatherings at my in-law's house in Moses Lake. My thoughts and prayers are with his entire family, especially his children. May your memories of Dana give you comfort and peace.

“ I am Dana's niece Debbie. I have fond memories of Dana and me running around outside grandma's big old house in Moses Lake. He was only 4 years older than me, so more like a big brother. He always had a mischievous grin and a ready laugh. And not one mean bone in his body! I will always cherish those childhood memories.
